

## THE PROGRAM FOR SUNDAY NEXT

Material Association Will Hold Union Meeting at Tabernacle.

### WORK ACCOMPLISHED

Through the efforts of the Association Attendance at Various Sabbath Schools Has Been Increased—Enthusiastic Afternoon Anticipated.

The Ministerial Association of this city, of which Rev. Thos. P. Hay is president and F. P. Bullock secretary, has arranged for a grand union Sunday school service at the Tabernacle Sunday afternoon, beginning at 4 o'clock, a most interesting program has been arranged for the occasion.

There is no doubt but that the Ministerial Association has considerably increased the attendance at the various Sabbath schools throughout the city. Through the efforts of the Association a religious census was taken, which showed an alarming condition of affairs, not half the children of the attending any church at all. Since this census was published, a noticeable increase has been made in every Sabbath school, with the result that today the branch of the church is in a most flourishing condition.

The public is cordially invited to the union Sunday afternoon. The Tabernacle is commodious and comfortable, there need be no fear of scarcity of seats.

The following program has been arranged:

Hymn—"Onward, Christian Soldiers."

Opening prayer—Rev. T. P. Hay.

Ten minutes address, "Facts Developed by the Religious Census"—Dr. F. P. Bullock.

Ten minutes address, "Why is It So Many Children Do Not Attend Sunday School?"—Rev. S. B. Rogers.

Hymn, during which a collection will be taken up.

Ten minutes address, "The Value of Personal Work in Building Up Our Sunday School"—Rev. F. H. Craighill.

Hymn.

Ten minutes address, "The Value of Sunday School Work"—Rev. T. J. Dixon.

Ten minutes address, "The Duty of Parents to the Sunday School"—Rev. T. P. Hay.

Hymn and benediction.

The church and Sunday school choirs of the city are all requested to take part in the singing.

Prof. G. F. Oliphant is in charge of the music.

### NATURE SPARES

The Stricken Rose From Grief.

What a fortunate provision of nature it is, that deprives the rose of mental suffering; for how poignant would be its grief to discover, in the height of its blooming glory, that a canker fed at its heart, and that its beauty and fragrance were doomed forever. Nature always spares the suffering; she is a veritable store-house of pleasing rewards, for those who seek her aid. In the years gone by falling hair and grayness have cast a gloom over the lives of thousands of young women, but thanks to the investigations of scientists the true cause of hair destruction is now known to be a germ or parasite that burrows into the hair follicles. Newbro's Herpicide absolutely destroys this germ, thus permitting the hair to grow as nature intended. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich. J. ### HEALTH IS YOUTH.

Diseases and Sickness Bring Old Age.

Herbine, taken every morning before breakfast, will keep you in robust health—fit you to ward off disease. It cures constipation, biliousness, dyspepsia, fever, skin, liver and kidney complaints. It purifies the blood and clears the complexion. Mrs. D. W. Smith, Whitney, Tex., writes April 3, 1902: "I have used Herbine, and find it the best medicine for constipation and liver troubles. It does all you claim for it. I highly recommend it." 50c a bottle. Sold by W. M. Johnson.

### CAMP'S MILL BURNED.

One of the Finest and Most Modern Saw Mills in State Consumed.

A telegram to The Times-Union from White Springs, under date of April 27, bears the following information:

"Fire here totally destroyed the immense saw mill, dry kilns and veneering plant of W. J. and B. F. Camp, also the commissary, two million feet of lumber and several houses. The aggregate loss is estimated at \$250,000. This was one of the most complete milling and veneering plants in the State and its destruction throws a large number of men and boys out of employment."

Messrs. R. J. and B. F. Camp are well known in this section, and have the sympathy of their friends in this tremendous loss.

It is understood that the plant was insured for \$150,000, and that the mill will be immediately rebuilt.

### A Thousand Dollar's Worth of Good.

"I have been afflicted with kidney and bladder trouble for years, passing gravel or stones with excruciating pain," says A. H. Thurnes, a well known coal operator of Buffalo, O. "I got no relief from medicine until I began taking Foley's Kidney Cure; then the result was surprising. A few doses started the brick-dust-like substance and now I have no pain across my kidneys and I feel like a new man. It has done me \$100 worth of good." Foley's Kidney Cure will cure every form of kidney or bladder disease. Sold by J. W. McCollum & Co.

### Twentieth Century Club.

The regular meeting of the club was held Monday afternoon at the home of Mrs. Foster. The meeting was called to order by the president, Mrs. Harper.

After the reading of the minutes other items of business were discussed and a good report was received from the library committee.

The literary portion of the program was led by Mrs. Richards, the subject being "Great Dances and Their Deeds."

The first selection was a solo by Mrs. Percival. An interesting paper was read by Mrs. Kelley on the "Rolling Sovereigns of Denmark." Also a reading by Mrs. Hay on the "Life of Hans Christian Anderson."

The meeting was closed with a general talk on the Neil Finsen light.

The next meeting will be held at the home of Mrs. W. S. Dorsey, Monday, May 8.

### Last Hope Vanished.

When leading physicians said that W. M. Smithart of Pekin, Ia., had incurable consumption, his last hope vanished; but Dr. King's New Discovery for consumption, coughs and colds kept him out of his grave. He says: "This great specific completely cured me, and saved my life. Since then I have used it for over 10 years, and consider it a marvelous throat and lung cure." Strictly scientific cure for coughs, sore throats or colds; sure preventive of pneumonia. Guaranteed. 50c and \$1.00 bottles at all drug stores. Trial bottle free.
